{Hey Mario!}

[T. Waters]

Ey! T. Waters comin straight from Savannah, Georgia  
You know what it is, T-Dot done hooked up with D-Block  
Yo (ah ye-yeah-geah-ge-GEYEAH)

No matter the weather, got the mac or beretta  
to tear the back off a felon, nigga I'm strapped for  
whatever

And down for the cause, I bust around of applause  
Fuckin 'round with my dawgs, or fuckin 'round with  
them laws

That was probably y'all, makin the block hot  
Got half of the block knocked, so I got the glock cocked  
All you heard was (pop pop) gunfire (stop drop and roll)  
Or get rolled over, I told ya boy  
Guns don't kill people (nah)  
It take a nigga behind the trigger to make it lethal (yes  
sir)

And the illegal Desert Eagle with a flock of seagulls  
I'm blowin trees in the Regal with my two amigos  
Nigga you seen me pull it

Up from the waist, put it up in your waist  
Put the barrel in your mouth now tell me how that taste  
Boss that and flee the state in the middle of a case  
With no panky ring, I'ma put the middle in your face  
If you want a brick, catch it off the side of the rim  
Or mention my name, they'll tell you to come get it  
from him

I'm where the birds at, the inner city where the curbs at  
And them jack boys'll take it if you don't deserve that  
My niggaz serve that, pure white snow like Christmas  
And this shit's guaranteed to do better than his shit  
Rich shit, off the lot, just wish y'all shit would get hot  
When them pigs sit on the block, watch me distribute  
rocks

Nigga catch me heavily blunted, bring it to whoever  
that want it

The head or the stomach, the led'll be comin  
Hotter the barrel, movin birds, my eyes on the sparrow  
All I do work these niggaz, they call me the Pharaoh

Motherfucker! Yeah  
T. Waters lettin y'all know what time it is,  
y'knahmtalkinbout?  
T-Dot, D-Block, Styles P, Jadakiss, Sheek, J-Hood  
Yeah, raw buck, is how we puttin it down  
E'rybody knahmtalkinbout?  
From Savannah, all the way out yonder,  
y'knahmtalkinbout?  
Let's get it poppin, ya heard?
