JOLENE

Chorus: Jolene jolene jolene jolene

I'm begging of you please don't take my man

Jolene jolene jolene jolene

Please don't take him just because you can

Your beauty is beyond compare with flaming locks of
golden hair

With ivory skin and eyes of emerald green

Your smile is like a breath of spring your voice is soft
like summer rain

And I cannot compete with you Jolene

He talks about you in his sleep

There's nothing I can do to keep

From crying when he calls your name Jolene

And I can easily understand

How you can easily take my man

But you don't know what he means to me jolene

chorus

Well you could have your choice of men

But I could never love again

He's the only one for me jolene

I have to have this talk with you

My happiness depends on you

Whatever you decide to do

Jolene

chorus -etc

EMMA

We were together since we were five

She was so pretty

Emma was a star in everyone's eyes

And when she said she'd be a movie queen

Nobody laughed

With her face like an angel

She could be anything

CHORUS

Emmaline

Emma

Emmaline

I'm gonna write your name high on the silver screen

Emmaline

Emma
Emmaline
I'm gonna make you the biggest star this world has
everseen

At seventeen
We were wed
And I worked hard to earn our daily bread
And evrey day
Emma would go out searching for that play
That never, ever came her way
And sometimes she come home and she'd be so
depressed
I'd hear her crying in the backroom and be so
distressed
And I'd remember back when she was five
To the words that used to make Emmaline come alive
It was...

CHORUS

It was a cold and dark December night
When I opened up the bedroom door
To find her lying
Cold and still upon the bed
A love letter lying on the bedroom floor
IT read,
"Darling I love you
But I just can't keep living on dreams no more
I've tried so hard not to leave you alone
But I just can't keep trying no more"

CHORUS
