What's a girl to do with a boy like you?
What's a girl to do?

You love me with your eyes
You melt me with your smile
And I can't resist you

You always look so cute
Your clothes, your attitude
And I just want to kiss you

But don't get so tense
When I hang with my friends
'Cause it's not makin' sense
And it's not like you

What's a girl to do? Tell me, what to do
With a boy like you?
What's a girl to do with a boy like you?
(With a boy like you)
(With a boy like you)
Until the end of time with me
I don't wanna fight, I wanna make it right
And I want you to be happy

So don't get uptight
If I don't call tonight
'Cause I've got a right
Boy, to live my life

What's a girl to do?
What's a girl to do with a boy like you?
Tell me, tell me, what to do?
What's a girl to do with a boy like you?
(With a boy like you)
(With a boy like)

What's a girl to do?
(Boy, boy, boy like you)
What's a girl to do?
(Tell me what to do, what's a girl to do?)

What's a girl to do?

So don't get uptight
If I don't call tonight
'Cause I've got a right
Boy, to live my life
(Live my, live my, live my life)

What's a girl to do?
Tell me, what to do with a boy like you?
With a boy, with a boy

What's a girl to do with a boy like you?
(With a boy like you)
Tell me, tell me, tell me
(With a boy like)

What's a girl to do?
Tell me, what to do with a boy like you?
What's a girl to do with a boy like you?
(With a boy like)
With a boy like, with a boy like you
