[Chorus]

Mystery, take me away. Mystery, set me free. Mystery,
don't tell me it's too late. Mystery, come and take me
away.

[Verse]

It's never really easy saying goodbye. Especially to the
ones that you really love. Everyday is just the same old
thing. I always think I'm over you, but in the end
something comes up and makes me think of you.
(Makes me think of you) I loved you with all my heart.
And you know it's true. I just wish we spent more time
together. So.

[Chorus]

Mystery, take me away. Mystery, set me free. Mystery,
don't tell me it's too late. Mystery, come and take me
away.

[Outro]

You, were my other half, You, always made me laugh.
You, were the one for me. You, will never leave my
heart.
