Whenever I'm with him
Something inside starts to burning
And I'm filled with desire
Could it be the devil in me
Or is this the way love's supposed to be?
It's like a heatwave!
Burning in my heart (heatwave)
Can't keep from cryin' (heatwave)
It's tearing me apart (heatwave)
Yeah, Yeah, Yeah Yeah, (Yeah)
I said, oh yeah (Ooh! Heatwave!)
Yeah, Yeah (Burning)
Yeah, Yeah (Burning)
I said, oh yeah (Ain't nothing but love, girl)
Don't pass up this chance
There's a chance for true romance
Heatwave!

(Ooh, Ooh, Ooh,)

Nothing you can say could tear me away from my guy
(my guy)
Nothing you can do 'cause I'm stuck like glue to my guy
(my guy, my guy)
I'm stickin' to my guy like a step to a ladder
Like birds of a feather we, stick together
I'm tellin' you from the start
I can't be torn apart from my guy (Woah!)
No muscle bound man could take my hand from my
guy (my guy)
No handsome face could ever take the place of my guy
(my guy, my guy)
He may not be a movie star
But when it comes to bein' happy, we are
There's not a man today who could take me away from
my guy
(What'd you say?)
There's not a man today who could take me away from
my guy
(Tell me more!)
There's not a man today who could take me away from,
my guy

Oh my God!

I will follow him
Follow him wherever he may go
There isn't an ocean too deep
A mountain too high it can keep, keep me away
I will follow him (Follow him)
Ever since he touched my hands I knew
That near him I always must be
And nothing can keep me away
He is my destiny

I love him, I love him, I love him
And where he goes I'll (follow), I'll (follow), I'll (follow)
He'll always be my (true love), my (true love), my (true
love)
From now until for (ever), for (ever), for (ever)
We will follow him
(Wherever he goes baby, I go)
Follow him wherever he may go
(I'm tellin' you the truth)
There isn't an ocean too deep
(No baby, there ain't no ocean too deep)
Or a mountain so high it can keep
(You know there ain't no mountain that can keep me
away)
Keep me away
(Not away from his love)
Away from his love
(That's right baby)

I love him, I love him, I love him
And where he goes I'll (follow), I'll (follow), I'll (follow)
He'll always be my (true love), my (true love), my (true
love)
From now until for (ever), for (ever), for (ever)

Wooo!

Yeah, I'm a ho yeah (Ooh, Heatwave)
Yeah, Yeah (Burning)
Yeah, Yeah (Burning)
I'm a ho, yeah (Ain't nothing but love, girl)
Don't pass up this chance
A diamond bracelet and a pair of pants

Heatwave! [x4]
