Nobody but you has ever seen me cry.
It's nothing but honesty between you and I.
And we've shared moments and made memories.
Without you, who would remember me?

Chorus:

Cause you're my witness in this life that I lead.
Good and bad,
You see everything.
You're my witness.
You know all there is to know the inside of my heart,
The center of my soul.
We took love where its never been before.
You're my witness and I'm yours.

Every day we write another page.
End another chapter time cannot erase.
All the years.
The pictures in our minds.
I see your life.
And you see mine.

Cause you're my witness in this life that I lead
Good and bad,
You see everything.
You're my witness.
You know all there is to know the inside of my heart,
The center of my soul.
We took love where its never been before.
You're my witness and I'm yours.

Standing here,
I can look you in the eyes,
And without a question,
I can testify.

You're my witness in this life that I lead.
Good and bad,
You see everything.

We took love,

Love where it's never been before.
You're my witness and I'm yours.
You're my witness and I'm yours
