Take up amnesia
Take up amnesia

So what you think you doin?
Staring at me,
Think that's all there is too see.

Acting like there's nothin' to it
Starin' at me
But you're smiling in front of me
And you're judging on what you see

But the karma will come right back around
Bring you down to the ground and I
Will be doing just fine.

Now I'm on the outside,
And I'm never going back again
I'll take it all in my stride
One step, at a time.

And it's alright, alright
I'm finally getting hold of the situation
I'm off the hook
Close up the book
Take up amnesia, take up amnesia.

And it's alright, alright,
I'm finally moving on, gonna change the station,
I'm off the hook
Close up that book
And I
Take up amnesia,
Take up amnesia,
Take up amnesia,
Take up amnesia.

Don't speak coz I'm not listening,
Taking it slow,
Hold my feelings real no show,
Coz I know you'll take advantage,

Throw a hard blow,
It's the only thing that you know,
To satisfy your ego
But the karma will come right back around
Bring you down to the ground
And I,
Will be doing just fine.

Now I'm on the outside
And I'm never going back again,
I'll take it all in my stride
One step, at a time

And it's alright, alright
I'm finally getting hold of the situation
I'm off the hook
Close up the book
Take up amnesia, take up amnesia.

And it's alright, alright,
I'm finally moving on, gonna change the station,
I'm off the hook
Close up that book
And I
Take up amnesia,
Take up amnesia,
Take up amnesia,
Take up amnesia.

Get up, get up, move on let go
Get up, get up and leave this show
Get up, get, no, I don't want to know.

Get up, get up, move on let go
Get up, get up and leave this show
Get up, get, no, I don't want to know.

And it's alright, alright
I'm finally getting hold of the situation
I'm off the hook
Close up that book
Take up amnesia, take up amnesia.

And it's alright, alright,
I'm finally moving on, gonna change the station,
I'm off the hook
Close up that book
And I
Take up amnesia,
Take up amnesia,
Take up amnesia,

Take up amnesia.

Oh

Yeah yeah yeah

Amnesiaaaaaaa
