verse1:

Nobody is born with an invitation  
Nobody has came for retribution  
What is the class for this gap?  
why rich people to poor rape?  
What's all this injustice?  
has been for us practice  
why so we were entered the world?  
If someone is unable  
and another is Capable  
Kinship relationship  
so the world is not livable  
What is the class for this gap?  
why rich people to poor rape?  
why so we were entered the world?

verse2:

do suicide  
If you cant so get what you deserve in right  
o yeah!  
do suicide  
If you dont want just work to get bread at night
