verse 1:

when we born they told us
we've one god for us
now where is god?
I can't feel it
where is god?
show for us
we are longing
we are fast
until what will happen last?
we want to see now our host

verse 2:

cause you say to me impious
but you accept it without reasons
baby i'm really impious
wanna be impious now
yeah yeah yeah
o, o oooooo
o, o oooooo
baby i'm really impious
wanna be impious now
yeah yeah yeah

verse3:

when we born they learn to us
say prayers & pay to Mullahs
say to me where i believe?
he says is true or false?
we're Wondering
we're lost
we want to find roots
we want to see now our host

verse 2:

cause you say to me impious

but you accept it without reasons

baby i'm really impious

wanna be impious now

yeah yeah yeah

o, o 000000

o, o 000000

baby i'm really impious

wanna be impious now

yeah yeah yeah

verse4:

we can't believe "islam"

vo,00000

we can't believe "islam"

o, o 000000

o, o 000000

baby i'm really impious

wanna be impious now

yeah yeah yeah
