Verse 1:

When see the world
When order lord
Not enjoy the life
Not a little hope
When is better die
The world all is lie
Down whit this life
We have to life
When is better die
The world all is lie
Down whit this life
We have to life
Maybe you know
This turn is vain
Maybe yo think
The world have a mean

Verse2:

So the life is like a poker
Don't have to always worker
You have to try winner
This life is troublemaker
The world is troublemaker
The poor person have to worker
This world is really maker
This life is troublemaker
So the life is like a poker
Don't have to always worker
You have to try winner
This life is troublemaker
The world is troublemaker
The poor person have to worker
This world is really maker
This life is troublemaker

Verse3:

When is better die
The world all is lie
Down whit this life
We have to life
Maybe you know
This turn is vain

Maybe yo think
The world have a mean
Verse2:
So the life is like a poker
Don't have to always worker
You have to try winner
This life is troublemaker
The world is troublemaker
The poor person have to worker
This world is really maker
This life is troublemaker
So the life is like a poker
Don't have to always worker
You have to try winner
This life is troublemaker
The world is troublemaker
The poor person have to worker
This world is really maker
This life is troublemaker
Verse2:
So the life is like a poker
Don't have to always worker
You have to try winner
This life is troublemaker
The world is troublemaker
The poor person have to worker
This world is really maker
This life is troublemaker
So the life is like a poker
Don't have to always worker
You have to try winner
This life is troublemaker
The world is troublemaker
The poor person have to worker
This world is really maker
This life is troublemaker
