Verse 1:

Turkish persian
baluch kurdish
west & East & North& South
they live together years of thousand
but Each they have race of different
But each will be independent
cause they wanna be independent
Iran must be discrete
or
iran convert to Federal state

Verse 2:

verse2:

United States Of Iran
United States Of Iran
United States Of Iran
United States Of Iran

verse 3:

USI Must Be Now Creating
until races should be not rating
until end of the street beating
until end of the races fighting
until everybody to earn easy living
until everybody to earn free living
until everybody to earn Advanced life
until everybody to earn freedom in life

Verse 1:

Turkish persian
baluch kurdish
west & East & North& South
they live together years of thousand
but Each they have race of different
But each will be independent

cause they wanna be independent

Iran must be discrete

or

iran convert to Federal state

verse2:

United States Of Iran

United States Of Iran

United States Of Iran

United States Of Iran

verse 3:

USI Must Be Now Creating

until races should be not rating

until end of the street beating

until end of the races fighting

until everybody to earn easy living

until everybody to earn free living

until everybody to earn Advanced life

until everybody to earn freedom in life

verse4:

Turkish persian

baluch kurdis

and another races

so must be discrete

or

Turkish persian

baluch kurdis

and another races

convert to federal states

USI Must Be Now Creating

until races should be not rating

until end of the street beating

until end of the races fighting

until everybody to earn easy living

until everybody to earn free living

until everybody to earn Advanced life

until everybody to earn freedom in life
