Kim:

Bye Bye Birdie

I'm gonna miss you so;

Bye Bye Birdie,

Why'd you have to go?

No more sunshine,

It's followed you away;

I'll cry Birdie,

Till you're home to stay.

I'll miss the way you smile,

As tho' it's just for me;

And each and ev'ry night,

I'll write you faithfully!

Bye Bye Birdie,

It's awful hard to bear;

Bye Bye Birdie

Think I'll always care,

Guess I'll always care,

Guess I'll always care!

[Finale)

Bye Bye Birdie

The Army's taken you now

I'll try Birdie

To forget some how

No more sighing

Each time you moved your lips

No more crying

When you twist those hips

Your swivel and your sway

Your super trooper

There's nothing left to say

But Conrad you're a jet

Bye Bye Birdie
