Kim:

One boy  
One special boy  
One boy to go with  
And talk with  
And walk with  
Kim and Girls:  
One boy  
That's the way it should be  
Yeah, yeah!  
That's the way it should be  
One boy  
One certain boy  
One boy to laugh with  
To jump with  
Have Coke with  
One boy  
Not two or three

Kim:

One day you'll find out  
This is what life is all about  
You'll need someone who  
Is living just for you

Kim and Girls:

One boy  
One steady boy  
One boy to be with  
Forever and ever  
One boy  
That's the way it should be  
That's the way it should be  
That's the way it should be

Rosie

When will he find out  
This is what life is all about?  
Will he ever see  
I need him and he needs me?  
One guy  
One special guy  
One guy to live for

To care for, be there for  
One guy  
That's the way it should be,  
That's the way it should be
