Not a word, from your lips
You just took for granted that I want to skinny dip
A quick hit, that's your game
But I'm not a piece of meat, stimulate my brain
Night is young, so are we
Let's get to know each other better, slow and easily
Take my hand, let's hit the floor
Shake our bodies to the music, maybe then you'll score

So come on baby, won't you show some class
Why you want to move so fast
We don't have to take our clothes off
Just to have a good time, oh no
We could dance and party all night
And drink some cherry wine, uh huh
We don't have to take our clothes off
Just to have a good time, oh no
We could dance and party all night
And drink some cherry wine, uh huh
Na na na na na na....

Just slow down if you want me
A woman wants to be approached cool and
romantically
I've got needs just like you
If the conversation's good, vibrations through and
through

So come on baby, won't you show some class
Why you want to move so fast
We don't have to take our clothes off
Just to have a good time, oh no
We could dance and party all night
And drink some cherry wine, uh huh

So come on baby, won't you show some class
Why you want to move so fast
We don't have to take our clothes off
Just to have a good time, oh no
We could dance and party all night
And drink some cherry wine, uh huh

We don't have to take our clothes off
Just to have a good time, oh no
We could dance and party all night
And drink some cherry wine, uh huh
Na na na na na na na...
