"Kiss Me Baby"

The smell of sweat and suntan lotion
The smell of the wind coming off the ocean
It's like summertime perfume

The rising tide and the babies tanning
Who knows what they might be planning
They ain't got nothing else to do

They don't know what it's like to be lonely
They dance when they walk
And they turn around and say

"Kiss me baby"
And they say
"Kiss me baby"

Lovers they got so much in common
They both love sunsets and chocolate almonds
I'd sell my soul to be that innocent again

She believes everything he says
And he likes her in a short, short dress
And they don't even know where to begin

And they don't know what it's like to be lonely
They dance when they walk
And they turn around and say

"Kiss me baby"
And they say
"Kiss me baby
Kiss me babe"

Yes, kiss me baby
And they say
"Kiss me baby"
I wanna tell you when my [Incomprehensible]

Kiss me baby
Come on, come on and I say
"Won't you kiss me baby?"
Won't you kiss me baby?" Oh now yo

Kiss me baby
And I say "Kiss me baby
Won't you kiss me baby?
Won't you kiss me baby?
Kiss me babe"
