Singing hi-dee-hi-dee, singing hi-dee-ho

This is for my love and I can't let go

Hi-dee-hi-dee, singing hi-dee-ho

This is for my love and I can't let go

'Cause I found love.

Hi-dee-hi-dee, I found love.

I found your love

Hi-dee-hi, hi-dee-ho.

Your love is what I want to know

Hi-dee-hi, hi-dee-ho

What truth's from love that's what I know

Took my time now come let's go

First my friend but now my love

Now I understand the meaning

Come to divide that's natural feeling

Give me what I want. Give me what I need

Let me be the one 'cause my heart is real

Give me what I want. Give me what I need

Rest into my arms and you

Come give me some, come give me some

Come give me some some loving

Come give me some, come give me some

Come give me some some loving

I want love and you want love.

That's the way we feel it

Touch my lips when I touch yours

I know you know the meaning

You've got what I want. You've got what I need

Let me be the one 'cause my heart is real

You've got what I want. You know want what I need

Rest into my arms and you

And I wonder wonder what is driving me wild

This is for my love. We're flying high

Wonder wonder what you're doing to me

This is for my love. I'm finally free.

'Cause I found love. I'm finally free.

'Cause I found love. I found your love
