Hook:

Al alone on my grind, I'll be grinding the law
Al alone on my grind, I'll be grinding ..
Al alone on my grind, I'll be grinding the law
Al alone on my grind, I'll be grinding ..
Daily I've been..operating solo
getting money rounding somebody ..
Daily I've been..operating solo
getting money rounding somebody ..

if you're hating on my energy then f*ck it you can die
slow
bitch i'm in the got club you..hoe
I got dough but I really spend my grind though
I'm all up int he talk of belt ..number five though
all up by survival most people leavin the term until you
..
it's something I know ..get your eyes open and you ..
but the talk is all good and it's all ..
and all this..your faces with no f*cking name
when they came me with f*ckin brain s
well I'm done bitch I'm burning on my..bitch
and I'm burning down the ..and I'm all with..
is on this bills off
is in chill moe I'm never back in ..
in the proof in the back of rifa
one upon when I'm taking meetings
oh week and all weekend small to say
still .. and I'm never gonna ..deep in

[Hook:]

if you're hating on my energy then f*ck it you can die
slow
the chicken wanna die slow I pick em like a slide slow
they not go from coast to coast this rap shit making my
cast lip
dashin in that I'm bad bitch and we're creeping
bad week but it's weekend still mad chips and I'm

breathing
best moe and it's all week
man it's all me, killing talk for me doubters
women all in my trousers while I'm in clearing all of
these vouchers
I'm out shit going all for this ..got no regard for this
labels
so this mother f*ck you..
I'm so innovative and in..intimidating
going world wide assimilating
all this different back ground
damn I'm on it or..in compositions
propositions talking more build than I'm..politician
ain't no competition..don't even call my phone
I'm rolling all alone
