Pop pills and pills and pills yeah
Pills and pills and pills yeah
Pills and pills and pills and pills and pills
Ah, a new life, ah a new life
Ah, a new life, ah a new life

Women say I'm handsome, I know I'm attractive
Eating off the... wake up in the mansion
Crawl off the door and then into the medicine cabinet
I'm pop the, I'm off the Xanax
Swerving through the traffic, feeling like a Maverick
Underdog a champion, I'm balling for the passion
I'ma ball it all to acting, and have a run you, oh fuck
Now go and be a has been, yeah bitch
Cooler than, free my cousin Tony
Bitch I'm so high, that myself... rolling
Popping, no smoking, I'm gwapping
I'm holding, I'm chopping, I'm rolling
What the fuck you want?
Suck a dick for those hands out
Used to give it over,
Bitch now look at me I stand out, stand out
The pain is over, pop off when I'm hungry
All the ladies love me
The party's and your girls mopping
Everybody's coming

Pop pills and pills and pills yeah
Pills and pills and pills yeah
Pills and pills and pills and pills and pills
Percocet and that Adderall
Percocet and that Adderall
Percocet and that Adderall
Percocet and that Adderall

Wake up and I pop off, money in my eye ball
Your girl wanna fuck me, how is that shit my fault
I would never smash it, my lady got class
Bitch got swag, that shit sounds ratchet
Came a long way from Mike, then them packets
Trying to, convince them it was average

That shit money even count it
But I cut it 80 to 20, still kicked it
Cause my grind was good
But fucks all in my own shit
I got a legend bindess and my music got so sick
Beg up to the opium that put me in my zone
Open up my door, and my flow on holy shit
Pocket full of green, got my jeans open know the bitch
Bottles of, and some 30's for my homeless street
Bitch I got a bag full of caps no,
Pockets,

Pop pills and pills and pills yeah
Pills and pills and pills yeah
Pills and pills and pills and pills and pills
Percocet and that Adderall
Percocet and that Adderall
Percocet and that Adderall
Percocet and that Adderall.
