VERSE 1

When all is sin and shame
There's greater gift than grace
The Love of God is broader
Working for our good

BRIDGE

We find pleasure in knowing Him
His presence and very self
The whole universe testifies
Of His work in our lives

CHORUS

Great is the Lord God
We sing His name Reknown
He's mighty, He's awesome

VERSE 2

Oh! There's grace enough
For thousands to reclaim
There's room enough
For all creation and new babes

BRIDGE

We find pleasure in knowing Him
His presence and very self
The whole universe testifies
Of His work in our lives

CHORUS

Great is the Lord God
We sing His name Reknown
He's mighty, He's awesome

VERSE 3

One day the light of truth
We'll see Him face to face
With Him forever we will be
And sing His praise

BRIDGE

We find pleasure in knowing Him
His presence and very self
The whole universe testifies
Of His work in our lives

CHORUS

Great is the Lord God
We sing His name Reknown
He's mighty, He's awesome
