We're all American girls  
And we love the life that we lead  
We're all American girls  
Hear what we say, know what we mean

We're all American girls  
And we love the life that we lead  
We're all American girls  
Hear what we say, know what we mean

The day has finally come  
We're reaching out for number one  
We've worked hard all of our lives  
It's a fight just to survive

You'd better get this straight  
Wise up before it's too late  
We're not threatened by your lies  
Or your goodbyes

We're all American girls  
And we love the life that we lead  
We're all American girls  
Hear what we say, know what we mean

Sometimes the struggle gets rough  
You give your all, but it's not enough  
A vacant job at the top  
Don't let them tell you that right you're not

We're not asking to reverse  
Roles so long rehearsed  
Give us an equal share  
That's just fair

We're all American girls  
And we love the life that we lead  
We're all American girls  
Hear what we say, know what we mean

We're all American girls  
And we love the life that we lead

We're all American girls  
Hear what we say, know what we mean

All American  
All American girls  
All American  
All American

We're all American girls  
And we love the life that we lead  
We're all American girls  
Hear what we say, and know what we mean

We're all American girls  
And we love the life that we lead  
'Cause we're all American girls  
Hear what we say, and know what we mean

We're all American girls  
And we love the life that we lead  
We're all American girls  
Hear what we say
