everybody knows the story  
and everybody wants to shine  
alwaya what can you do for me  
always riding with the tide  
when will we see the light  
when will we know  
when will we realize  
about to go so dizzy  
following the leader  
monkey see, monkey doo  
following the leader  
and they're all following you  
everybody loves the winner  
and every winner hates to lose  
suspicious circle keeps on spinning  
to pay the price, to pay the dues  
when will we see the light  
when will we know  
when will we realize  
about to go so dizzy  
following the leader  
monkey see, monkey do  
following the leader  
and they're all following you  
following the leader, ooh ooh  
ooh ooh, ooh ooh  
yeah, yeah  
yeah, so dizzy  
following the leader  
monkey see, monkey do  
following the leader  
and they're all following you  
following the leader  
monkey see, monkey do  
following the leader  
and they're all following you  
following the leader, ooh ooh  
ooh ooh, ooh ooh  
following the leader  
monkey see, monkey do  
following the leader

and they're all following you  
and they're all following you  
following you  
you  
you  
and they're all following you
