You ask for more time
To search till you'll find
Someone you're sure of
And that's when you'll give love
[Boy, stop fooling yourself]
Boy, stop fooling yourself
[Come down off your shelf]
Have faith in me
And I'll make you see that
love is easy
Give in to love
Give in to love for a moment
You'll find it's so easy to
Give in to love [Give in to love]
Give in to love [Give in to love]
For a moment [For a moment]
It's easy, so easy
You say you're happy [You're happy]
Alone, now how can that be [Can that be]
With no one to talk to
And no one to love you
[Boy, stop fooling yourself]
Boy, stop fooling yourself
[Come down off your shelf]
Have faith in me
And I'll make you see that
Love is easy
Give in to love
Give in to love for a moment
You'll find it's so easy to
Give in to love [Give in to love]
Give in to love [Give in to love]
For a moment [For a moment]
You'll find it's so easy to
(Repeat Chorus till fade)
