Looks like were running out of time
Cant hide away
In nights no longer yours or mine
All things must change
Its so painful when nothing ever stays the same
But I must go on
While you run away from love, oh
Next time you'll know
Not to let my love go
When you feel afraid
And you can't love nobody
Next time you'll know
You must let your heart show
Till the dyin day, my friend
Maybe I hurt too easily
But is it wrong
To feel betrayed when love can't be
You could change your mind
No excuses could ever make me change mine
But Ive got to be strong
And believe I'll find the love, oh
Next time you'll know
Not to let my love go
When you feel afraid
And you can't love nobody
Next time you'll know
You must let your heart show
Till the dyin day, my friend, no
Oh...believe it
Next time you'll know
Not to let my love go
When you feel afraid
And you can't love nobody
Next time you'll know
You must let your heart show
Till the dyin day, my friend, whoa...oh...
Next time you'll know
Not to let my love go
When you feel afraid
And you can't love nobody
Next time you'll know
You must let your heart show

Till the dyin day
