Everybody let me tell you bout my love  
Brought to you by an angel from above  
Full equipped with a lifetime guarantee  
Once you try it, I am sure that you'll see  
(Without love) there's no reason to live  
(Without you) And what would I do with the love I give  
(All my lovin) To you I'll be giving  
And I promise, yes I'll do, as long as Im living  
Im thinking of you and the things you do to me  
That makes me love you, now Im living in ecstasy  
Hey, it's you and the things you do to me  
That makes me love you, now Im living in ecstasy  
All the time he makes me glad that Im alive  
Together we will survive  
What do you think brought the sun out today  
Its my baby, oh, help me sing  
(Without love) Without love there's no reason to live  
(Without you) Oh, what would I do with the love I give  
(All my lovin) To you I'll be giving  
And I promise, yes I'll do, as long as Im living  
Im thinking of you and the things you do to me  
That makes me love you, now Im living in ecstasy  
Hey, it's you and the things you do to me  
That makes me love you, now Im living in ecstasy  
Im in love again  
And it feels so, so good  
Hey, it's you and the things you do to me  
That makes me love you, now Im living in ecstasy  
Yeah, it's you (You and the things you do to me) and I  
(That makes me love you) That makes me love you  
(Now Im living in ecstasy), oh  
Its you, you, you (And the things you do to me), yeah  
(That makes me love you) That makes me love you  
(Now Im living in ecstasy), ey...hey...  
(You and the things you do to me) Let me tell you bout  
the stars above  
(That makes me love you) Yeah (Now Im living in  
ecstasy), man I love  
Its you, yeah, yeah, yeah (And the things you do to me)  
Oh...  
(That makes me love you) That makes me love you  
(Now Im living in ecstasy) that makes me love you

(You and the things you do to me) Just keep on doin  
what you're doin to me  
(That makes me love you) Eh...hey... (Now Im living in  
ecstasy), oh, it's ecstasy  
Its you, you, you (You and the things you do to me)  
(That makes me love you, now Im living in ecstasy)  
Oh, it's you, you, oh (You and the things you do to me)  
(That makes me love you) Ooh, ooh, oh (Now Im living  
in ecstasy)
