Your psychic little princess had a dream about me the  
other day  
She said that i was laughin because you were dead

What a witch i am  
What a witch i am  
What a witch i am  
What a witch i am

You crush me to little pieces  
When you roled over and said  
That you didn't trust me and you never did

When did i lie?  
When did i lie?  
When did i lie?  
When did i lie?

Who's side are you on anyway?  
Who's side are you on anyway?  
Who's side are you on anyway?  
Who's side are you on anyway?

I bet she left ya thinkin that you might come back again  
I bet she left ya thinkin that you were right all along  
What defense do i have against your intuition  
And her extrasense?  
What defense do i have against your out of body  
experiance?

What a witch i am  
What a witch i am  
What a witch i am  
What a witch i am

Who's side are you on anyway?  
Who's side are you on anyway?  
Who's side are you on anyway?  
Who's side are you on anyway?  
Who's side are you on anyway?  
Who's side are you on anyway?

Who's side are you on anyway?  
Who's side are you on anyway?  
Oh oh oh oh oh

I had a dream about your and your princess the other  
day  
You and her were laughin because i was dead.
