It's a beautiful world and a beautiful dream  
And you know I don't care if things are not what they  
seem  
Making up stories that you know aren't true  
But you know it's all right 'cause I know it too

Who is the lady with the sno-cone eyes?  
Who has the candy with the soft insides?  
Talk show religion and  
Soap opera love  
Whatever happened to  
Heavens above?

Well you can lie to me  
And I imagine you do  
If nothin's right  
What's wrong?  
That what I like about you  
That what I like about you

Birds are flying from east to west  
Dogs are running a political race  
Twinkle Twinkle  
Little Star  
How I wonder  
Who you are

Well you can lie to me  
And I imagine you do  
If nothin's right  
What's wrong?  
That's what I like about you  
That's what I like about you

It's a beautiful world and a beautiful dream  
And you know I don't care if things are not what they  
seem  
I wanna be happy, I can't stand the pain  
I wanna believe, so tell me again

I'm like a chicken without a head

I'd like to fly, but I walk instead  
Emotional junkies  
How blind we must be  
I'm just a fool for your  
Las Vegas tears

Well you can lie to me  
And I imagine you do  
If nothin's right  
What's wrong?  
That's what I like about you  
That's what I like about you  
That's what I like about you  
That's what I like about you
