She had psychic defenses  
He had animal dreams  
They moved closer together  
He said Lets make a deal

Does not the law forbid it?  
Its a treacherous act  
We all must suffer  
We all must do our part

No one knows how started  
And God knows how itll end  
The fightin continues  
Women versus Men

Women have their world  
And men, we have ours  
Were into sports  
And theyre into flowers

The woman are talking  
We do not understand  
They speak in a language  
We do not comprehend

No one knows how it started  
And God knows how itll end  
The fightin continues  
Women versus Men

Fightin in the parkin lots  
Is this how it will end?  
Armies of ladies  
Fightin armies of men

So remember be careful  
Should one cross your path  
One innocent movement  
And it could be your last

No one knows how started

And God knows how itll end  
The fightin continues  
Women versus Men
