First things first, I find a place
I nice green piece of grou-ound
Sit right down and think about
The other side of tow-own

Baby, ain't you glad that you're livin' 'round here
Ain't you gla-ad that you're free-ee
It's so good to know that you got a friend
That will help you out to the very end of time
Yeah-eah, yeah

Your minds alive with crawly things
That go on inside your brai-ain
That tell you when its right an' wrong
To keep you from goin' insane

Now baby, ain't you glad that you're livin' 'round here
Ain't you gla-ad that you're free-ee
It's so good to know that you've got a friend
That will help you out to the very end of time
Oh-oh-oh

Yeah, yeah, yeah-eah, I see what you mea-ean
There's always someone there who's di-isagreein'

While sitting there on the nice green ground
Thoughts goin' through your mi-ind
Thinkin' 'bout cuttin' it fine all night
Singin' for a song and prayin' for it

Ain't you glad that you're livin' 'round here
Ain't you gla-ad that you're free-ee
It's so good to know that you've got a friend
That will help you out to the very end of time
Mm-mm-mm

Ain't you glad that you're livin' 'round here
Ain't you gla-ad that you're free-ee
It's so good to know that you got a friend
That will help you out to the very end of time
Yeah-eah, yeah

Yeah, yeah, yeah-eah, I see what you mea-ean
There's always someone there who's di-isagreein'
