Ooh aah
I need, I need, I've got to hold on to your love

Hey baby, thought you were the one
who tried to run away
Oh, baby, wasn't I the one
who made you want to stay?
Please don't bet
that you'll ever escape me
Once I get my sights on you

I've got a licence to kill
And you know
I'm going straight for your heart
I've got a licence to kill
Anyone who tries to tear us apart

Say that somebody tries
to make a move on you
In the blink of an eye
I will be there too
And they'd better know why
I'm gonna make them pay
Till their dying day
Oh, till their dying day
Till their dying day
Ooh

Got a licence to kill
And you know
I'm going straight for your heart
Got a licence to kill
Anyone who tries to tear us apart

Licence to kill
Licence to kill
