Do you remember the 21st night of September
Love was changing the minds of pretenders
While chasing the clouds away

Our hearts were ringing
In the key that our souls were singing
As we danced in the night
Remember how the stars stole the night away

Say do you remember
Dancing in September
Never was a cloudy day

The bells were ringing
Our souls were singing
Do you remember, never a cloudy day

Say do you remember
Dancing in September
Never was a cloudy day

Say do you remember
Dancing in September
Never was a cloudy day
