I'm going to spend all my money

Going to go home late

Try one of everthing the put on my plate

I'm going to flash my pearly grin all over this town

Whisper to my baby when the lights go down

I'm going to lay down and shimmy

Stand up and shout show all these women

What loves all about

I'm going to sing when I'm happy

Moan when I'm blue

Then I'll do it all over, do it all over for you

Well I might not speak the lingo

I might not know the rules

I might no have all the learning

that some of these other boys do

But when the fire is rising the fire gets to burning

real hot oh baby this is a mans got something

Those other boys just ain't got

I'm going to spend all my money

Going to go home late

Try one of everything they put on my plate

I'm going to flash my pearly grin all over this town

Whisper to my baby when the lights go down

I'm going to lay down an shimmy

Stand up and shout show all these women

What loves all about

I'm going to sing when I'm happy

Moan when I'm blue

Then I'll do it all over, do it all over you

All over all over you, babe all over you
