

Sisters Of Mercy "Body and Soul"

Visit "[Body and Soul](#)" on MotoLyrics.com

All your hidden faces, your seven veils unfold
Give me forbidden places, all your tales untold
Give me ever and always, ever and always
Body and soul, body and soul

Heaven and the hope eternal over your heart of gold
Sun and sunset, burning in the flame you hold
Ever and always, give me ever and always
Body and soul, body and soul, body and soul

Yesterday
Today
Tomorrow
Body and soul

Give me ever the years you wept inside when cold
All the sins and secrets never cried
All the dreams you kept and the tears you sold
Give me, give me ever and always, ever and always
Body and soul, body and soul, body and soul

Your heart, your mind, your body and soul
Soul, soul, soul
