"I Was Wrong" - Vision Thing - Sisters Of Mercy
you say stay and never leave
you say meant for ever
I could believe you, but I don't
you say we're almost all alone together
all alone
you say
you say you will
I know you won't
I was wrong
I was wrong to ever doubt
I can get along without
I can love my fellow man
but I'm damned if I'll love yours
in a bar that's always closing
in a world where people shout
I don't wanna talk this over
I don't wanna talk it out
I was quite impressed until I hit the floor
isn't that what friends are for?
pain looks great on other people
that's what they're for
I was wrong
I was wrong to ever doubt
I can get along without
I can love my fellow man
but I'm damned if I'll love yours

you say stay and never leave
you say meant for ever
I could believe you but I don't
you say we're almost all alone together
you say
you say you will
I know you won't
I was wrong
I was wrong to ever doubt
I can get along without
I can love my fellow man
but I'm damned if I'll love yours
in a bar that's always closing
in a world where people shout

I don't wanna talk this over
I don't wanna talk it out
I was quite impressed until I hit the floor
isn't that what friends are for?
pain looks great on other men
that's what they're for
I was wrong
I was wrong to ever doubt
I can get along without
I can love my fellow man
but I'm damned if I'll love yours
