In a sea of faces, in a sea of doubt
In this cruel place, your voice above the maelstrom
In the wake of this ship of fools, I'm falling further
down
If you can see me Marian, reach out and take me home

I hear you calling Marian
Across the water, across the wave
I hear you calling Marian
Can you hear me calling you to?
Save me, save me, save me from the grave
Marian

Marian, there's a weight above me
And the pressure is all too strong
To breathe deep breathe long and hard
To take the water down and go to sleep
To sink still further, beneath the fatal wave
Marian I think, I'm drowning, this sea is killing me

I hear you calling Marian
Across the water, across the wave
I hear you calling Marian
Can you hear me calling you to?
Save me, save me, save me from the grave

Was ich kann und was ich konnte?
Weiss ich gar nicht mehr
Gib mir wieder etwas sch'nes
Zieh mich aus dem meer
Ich h're dich rufen, Marian
Kannst du mich schreien h'ren
Ich bin hier allein
Ich h're dich rufen, Marian
Ohne deine hilfe verliere ich mich in diessem ort

I hear you calling Marian
Across the water, across the wave
I hear you calling Marian
Can you hear me calling you to?
Save me, save me, save me from the grave
