I'm lying on my back now
The stars look all too near
Flowers on the razor wire
I know you're here

We are few and far between
I was thinking about her skin
Love is a many splintered thing
Don't be afraid now just walk on in

Flowers on the razor wire
Walk on in

Her eyes were cobalt red
Her voice was cobalt blue
I see no purple light
Crashing out of you so just walk on in

Flowers on the razor wire
Walk on in

Her lovers queued up in the hallway
I heard them scratching at the door
I tried to tell her about Marx and Engels
God and Angels, I don't really know what for

But she looked good in ribbons
So just walk on in
She looked good in ribbons
So just walk on in

Tie a red, red, red, red, red, red ribbon
Love is a many splintered thing
Tie a red, red, red, red ribbon
Don't be afraid just walk on in

Just walk on in
Incoming
Incoming

Just walk on in, just walk on in
Flowers on the razor wire

Just walk on in
Flowers on the razor wire

Just walk on in
Love is a many splintered thing
Just walk on in
Flowers on the razor wire

Just walk on in, just walk on in
Flowers on the razor wire
Just walk on in
Flowers on the razor wire

Just walk on in
Love is a many splintered thing
Just walk on in
Flowers on the razor wire

Just walk on in
Flowers on the razor wire
Just walk on in
Flowers on the razor wire

Just walk on in
Love is a many splintered thing
Just walk on in
Flowers on the razor wire
