All the things we never needed
I don't need them now
All the things we ever did were always confidential
And hidden from me anyhow

You can stand all night at a red light anywhere in town
Hailing maries left and right but none of them slow
down
I've seen the best of men go past, I don't wanna be the
last
Gimme something fast

God knows everybody needs a hand in their decision
Some of us are not so sure
I've seen his own held out for a ride on television
I think he's still in Baltimore

You can stand all night at a red light anywhere in town
Hailing maries left and right but none of them slow
down
I've seen the best of men go past, I don't wanna be the
last
Gimme something fast

You can stand all night at a red light anywhere in town
Hailing maries left and right but none of them slow
down
I've seen the best of men go past, I don't wanna be the
last
Gimme something fast

You can stand all night at a red light anywhere in town
Hailing maries left and right but none of them slow
down
I've seen the best of men go past, I don't wanna be the
last
Gimme something fast
