Gimme the ring, kissed and toll'd  
Gimme something that I missed  
(Gimme the ring)  
A hand to hold, wild and what it seems  
(Gimme the ring)  
Kill the king, when love is the law  
And the we'll turn round  
(Gimme the ring)  
Gimme dream child and do you hear me call?  
(Gimme the ring)  
On the loan and on the level, still on the floor  
(Gimme the ring)  
Sing dream child and do you hear at all?

(Sing)

Gimme siren, child and do you hear me?

Sing child of right and wrong  
Gimme things that don't last long  
Gimme siren, child and do you hear me call?

(Sing)

Hey now, hey now now, sing this corrosion to me  
Hey now, hey now now, sing this corrosion to me  
Hey now, hey now now, sing this corrosion to me  
Hey now, hey now now

On days like this  
In times like these  
I feel an animal deep inside  
Heel to haunch on bended knees  
Living on if and if I tried  
Somebody send me please

Dream wars and a ticket to seem  
Giving out and in  
Selling the don't belong  
Well, what do you say  
D'you have a word for giving away?  
Got a song for me?

(Sing)

(Sing)

Hey now, hey now now, sing this corrosion to me  
Hey now, hey now now, sing this corrosion to me

Hey now, hey now now, sing this corrosion to me  
Hey now, hey now now, sing this corrosion to me  
Hey now, hey now now

I got nothing to say I ain't said before  
I bled all I can, I won't bleed no more  
I don't need no one to understand  
Why the blood run hold the hired hand

On heart

(Hey now, hey now now, sing this corrosion to me)

Hand of God

Flood land and driven apart

Run cold

(Hey now, hey now now, sing this corrosion to me)

Turn

Cold

Burn  
Like a healing hand

Hey now, hey now now, sing this corrosion to me  
(Like a healing hand)  
Hey now, hey now now, sing this corrosion to me  
(Like a healing hand)  
Hey now, hey now now, sing this corrosion to me  
(Like a healing hand)  
Hey now, hey now now  
(Like a healing hand)
