Better Homes & Warmer Days  
"2004: Stephen O'Reilly

Midnight Sounds  
Rugged Rain  
Cabs are scarce  
Pensive again  
Don't you ever feel afraid?  
Don't you ever want to live a better way?  
And now, it's clearer than before.  
The answer's through the door of better homes and  
warmer days.  
Yellow light  
Almost June  
Helpless night  
Quarantine the moon  
Don't you ever feel afraid?  
Don't you ever want to live a better way?  
And now, it's clearer than before.  
The answer's through the door of better homes and  
warmer days.  
Here. I tried my best and my best just brought me here.  
Oh, the Ghosts along this block have felt my fear  
and my old soul has raised "The Disappointed"  
Please turn this ship around  
'cause on haunted waters, I'm likeliest to drown.  
This atmosphere is wrong.  
It's like my home has vanished and is gone.  
Oh here, the answer's in some sun.  
Oh here, there's a chance I could win one.  
Here, is all that we are.  
Don't you ever feel afraid?  
Don't you ever want to live a better way?  
And now, it's clearer than before.  
The answer's through the door of better homes and  
warmer days.  
Don't you ever feel afraid?  
Don't you ever want to live a better way?  
And now, it's clearer than before.  
The answer's through the door of better homes and  
warmer days.
