I dont want your adoration

Dont want your train stoppin at my station

You hurt me, and I'm grateful

I never ever felt anything stranger

Ga ga, crazy

Foolish, for wanting you

Stupid cupid

He's a drag, he's not like you

People say that its insane

We love to feel the pain

And it hurts, yes it hurts

Let it hurt

I don't want emotional hassle

I just want another bite of the apple

Dark thoughts meet satisfaction

We're going to crash, lets make it happen

Ga ga, crazy

Foolish, for wanting you

Stupid cupid

He's a drag he's not like you

People say that its insane

We always go for break

And it hurts, yes it hurts

Let it hurt

This will never be over

And you will always be mine

You've got to feed my hunger baby

I am ready to dine

Ga ga, crazy

Foolish, for wanting you

Stupid cupid

He's a drag he's not like you

Ga ga, crazy

Foolish, for wanting you

Stupid cupid

He's a drag he's not like you

Ga ga

Crazy

Foolish (crazy)

For wanting you

Ga ga

Crazy

Foolish (crazy)

For wanting you

And it hurts, and it hurts, let it hurt

And it hurts, and it hurts, let it hurt

And it hurts, and it hurts, let it hurt

And it hurts, and it hurts, let it hurt

And it hurts
