I've gotta go, find another direction.

I've gotta go, I wanna get your attention.

I am so sorry that I went this way. I just can't

hold anymore. The feeling's gone, I must

move on. There's nothing left worth fighting

for.

Can't love you anymore, anymore.

Go. Find what you're looking for.

Go. You've lost me that's for sure.

I've gotta go, find another direction.

I've gotta go, I wanna get your attention for

once.

I've never been in love before. But this is

where it has to end. I just can't love you

anymore. Don't even want you as a friend.

Can't love you anymore, anymore.

Go. Find what you're looking for.

Go. You've lost me that's for sure.

It all started in another dimension.

It all started in another dimension.

It all started in another dimension.

You may have took my breath, you didn't

take my dedication.

They say love is blind.

They say love is blind.

They say love is blind.

I've never been the leaving kind.

I've gotta go, find another direction.

I've gotta go, I wanna get your attention for

once
