How Come I didn't see, you were making fun of me.
How dare you change the rules, you made me look a fool.

Well, now your gotta see, the last laugh is not on on me.

What am I gonna do to get my revenge on you.

You're Goin' Down. Goin' Down.

Was it just another lie or did I did I just breathe a sigh.
What else can I do, I was so into you.
With all this bad luck I've had, my karma must be bad.
You're played your little games, oh what a shame.

You're Goin' Down. Goin' Down. Goin' Down.

I am singing it loud, and I don't care.
I am singing it proud, everywhere.
I feel no remorse, my life is back on course.
From this little hitch, I have become a superbitch.
But don't be afraid by that confession I made.
I am not a whore, I have gone hardcore.

You're Goin' Down. Goin' Down. Goin' Down. Goin' Down.

I am singing it loud, and I don't care.
I am singing it proud, everywhere.
I am singing it loud, and I don't care.
I am singing it proud, everywhere.

Ha. Ha. Ha.

You're Goin' Down. Goin' Down. Goin' Down. Goin' Down
