Where do they go and what do they do?

There walking on by, they're looking at you

Some people stop some people stare

But would they help you and do they care?

How

Did you fall?

Did you fall at all?

Are you happy where you are?

Sleeping underneath the stars

When it's cold is it your hope that keeps you warm

A spare bit of change is all that I give

How is that gonna help when you get no where to live?

Some turn away so they don't see

I bet you'd look If That Were Me

How

Did you fall?

Did you fall at all?

Is it lonely where you are?

Sleeping in between the cars

When it thunders where do you hide from the storm?

Could you ever forgive my self pitty?

When you got nothing and your living on the streets of
the city

I couldn't live without my phone

But you don't even have a home

How

Did we fall?

Can we get up at all?

Are we happy where we are?

On our lonely little star

When it's cold is it your hope that keeps you warm?

Where do they go and what do they do?

They're walking on by, they're looking at you

They're walking on by, they're looking at you
