Suddendly monday

Appears again

Where was the weekend

I lost it again

Run to the bus stop

It's never on time

I couldn't care less

Cos you make me feel fine

Whenever I'm down

You're always around

Maybe this time

True love I found

What would I do

If I didn't have you?

The things that you say

The things that you do

You make me high

I wish that you knew, I wish I could tell you

Together we'd fly

Open your eyes, start reading my mind

Same conversation

Every day  
So much to ask you  
But I can't find a way  
Wherever you're going  
Can I come along?  
Whatever your star sign  
Wherever you're from  
The end of the day  
And you're still around  
My head's in the clouds  
Feet on the ground  
Maybe I should  
And maybe you would  
Maybe tonight  
If only we could  
You make me high  
I wish that you knew, I wish I could tell you  
Together we'd fly  
Open your eyes, start reading my mind  
Na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na  
[repeat to fade]
