[When you're gone]  
I've been wandering around the house all night  
Wondering what the hell to do.  
Yeah, I'm trying to concentrate  
But all I can think of is you.

Well the phone don't ring 'cos my friends ain't home  
I'm tired of being all alone.  
Got the TV on cause the radio's playing  
songs that remind me of you.

Baby when you're gone  
I realise I'm in love.  
The days go on and on  
And the nights just seem so long.  
Even food don't taste that good  
Drink ain't doing what it should.  
Things just feel so wrong  
Baby when you're gone.

[Yeah]  
I've been driving up and down these streets  
Trying to find somewhere to go.  
Yeah I'm looking for a familiar face  
But there's no-one I know.

Aww this is torture, this is pain  
It feels like I'm gonna, go insane.  
I hope you're coming back real soon  
Cause I don't know what to do.

Baby when you're gone [when you're gone]  
I realise I'm in love.  
The days go on and on [on and on]  
And the nights just seem so long.  
Even food don't taste that good  
Drink ain't doing what it should.  
Things just feel so wrong [hah, yeah]  
Baby when you're gone.

[Hey, don't go Brian, don't go]

[Hey, where ya gone baby?]

Don't go, don't go

[C'mon baby, ahh]

Baby when you're gone [when you're gone]

I realise I'm in love [so in love].

The days go on and on [oh yeah]

And the nights just seem so long.

Even food don't taste that good [no oh ohhhhh]

Drink ain't doing what it should [aaahhh]

Things just feel so wrong [so wrong]

Baby when you're gone [you're gone].

Aw baby when you're gone [aahh, yeah] Baby when  
you're gone.
