Look

Look at me

I'm not just what you want to see

Look at me

I'm so young and i'm so old

And god gave me a heart

And god gave me a mind

And god gave me my life, twice

And i....i feel deeper than any ocean

You could ever swim in

I love bigger than any sky that you've ever seen

With your two blind eyes baby your so blind

I'm a child

I will remain so

The spirit is the same it's the same

In the same place i have my temple

Nothing can take it away

And i tried to be like the sun

I'm of the sun

I tried to shine through my life time

And i....i feel deeper than any ocean

You could ever swim in

I love bigger than any sky that you've ever seen

With your two blind eyes baby your so blind

And i tried to be like the sun

I'm of the sun

I tried to shine through my life time

And i....i feel deeper than any ocean

You could ever swim in

I love bigger than any sky that you've ever seen

With your two blind eyes baby your so blind

I.....i feel deeper than any ocean

You could ever swim in

I love bigger than any sky that you've ever seen

With your two blind eyes baby your so blind

Shine like the sun

Shine like the sun
I.....i feel deeper than any ocean
(Shine like the sun shine like the sun)
You could ever swim in
(Shine like the sun shine like the sun)
I love bigger than any sky that you've ever seen
(Shine like the sun shine like the sun)
With your two blind eyes baby your so blind
(Shine like the sun shine like the sun)
-acap
