(Look at me with those eyes)
(They're a pair I despise)
(Look at me with those eyes)

See me, want me, watch me, need me
Bait me, obsess me, chase me
Trail me, stalk me, worship me, hunt me
Find me, dine me, win me, feel me

Hold me, kiss me, touch me, tempt me
Seduce me, take me, manipulate me
Addict me, adore me, like me, floor me, torture me
Ignore me, now you have me

That's the way you love me
that's the way you love me
I want you dead, die
I want you dead, die

(Sometimes you just slip)
(I'm the thing near you first)
(Sometimes you just slip)

Destroy me, control me, humiliate me, use me
Abuse me, penetrate me
Degrade me, strip me, resent me, push me
Shove me, shake me, decimate me

Slap me, trash me, choke me, bruise me
Spend me, lose me, lie to me, dement me
Marry me, cheat me, abort me, fuck me
Scratch me burn me, hate me, rape me

Hit me, go ahead and hit me
I know you want to kill me
I know you want to hit me, go ahead
'Cause I don't feel it anymore
Enemy, enemy, enemy
I want you dead, die
