The sticky velvet lounge is proud to present...
Bunny Fantastic and Johnny Supremo!
With the Belzibob Orchestra!
You said that she said and that's ok
Oh i stopped believein your mouth anyway
Your an angry little joe and that's a well known fact
Don't show me your face cuz i wont take you back!
You liar!
You little liar
You goddamn liar!
You little liar
You liar!
You little liar
Yeah! You liar! Woh Ow Ow
You little liar
Did you think i wouldn't catch on?
(did you think that?)
Did you think that i was too blonde?
(oh oh ow ow ow)
Did you think that you could just go on makin me life
miserable?
(did you think that? oh oh ow ow ow)
You liar!
You little liar
You goddamn liar! Woh oh ow ow
You little liar
You liar!
You little liar
Yeah! You liar! Woh oh oh ow ow
You little liar
What's the matter with you? Nothings the matter with
me.
What ya say that for? I didn't say anything!
You did! I did not!
You did! I did not!
YOU LIAR!
You liar!
You little liar
You goddamn liar! Woh oh ow ow
You little liar
You liar!
You little liar

Yeah! You liar! Woh oh oh ow ow
You little liar
You liar!
You little liar
You goddamn liar! Woh oh ow ow
You little liar
You liar!
You little liar
Yeah! You liar! Woh oh oh ow ow
You little liar
So as Bunny and Johnny disappear in the sunset.
Was it a lie? Or is somebody fessin up with the truth?
