If I could fly
I'd fly away from here
Out of my window in the night
Where I'd be free
Out of my sleep in the night, I would fly
Where the stars don't cease to shine
They all are mine
Where the nightbirds sing in darkness
Their voices remain in my head
Out of my sleep and out of this place
Out of this place
If I could fly
I'd fly away from here
Out of my window in the night
Where i'd be free
If I could fly
I'd fly away from here
Out of my window in the night
Where I'd be free
Painting her name across the sky
Red
Flying as far as eyes can see
Higher
Until she can no longer be seen
Gone
Leaving her name across the sky
Red
Out of this cold and quiet prison
I slip from my house so one hears
No one hears your desperation
Or even cares
If I could fly
I'd fly away from here
Out of my window in the night
Where I'd be free
If I could fly
I'd fly away from here
Out of my window in the night
Where I'd be free
