Oh, yeah yeah

Tossing and turning can't sleep
no ain't say the word it's nearly been a week
since our last heard the voice of ym girl
seeing to myself, how did I let my feelings getting
away
so the pain in her eyes how could it be, how could it be
I let my emotions get the best in me

Now you're gone, I'm alone
and can't even explain what went wrong, oh

Pre Chorus:

'cause there's no such thing at the part time lover
the part time love is all I have for you
I'm sorry it's not good enough
but there's no way I'm lovin you better
'cause girl you deserve things to be true
and I know you want a man who's committed to
I'm sorry, I know it's not good enough
but there's no way of living you better

Chorus:

I said goes by, my heart race,
I'm burning trying to find the way to set you free
and my.. keep felling me
keep trying catch up, get out of my mind
fill out the place
'cause there's a part of me that doesn't wanna let you
leave
and I think he's best than we
we can't go on and livin this way

I keep trying to tell myself I;m okay without you round
but my hearts keep the beat when I hear your voice
speak
"I love you", amazing that sound
don't wanna get caught up in this thing called love
you don't have to let em wait, so don't let anticipate
I don't wanna let you go

Pre Chorus:

'cause there's no such thing at the part time lover
the part time love is all I have for you
I'm sorry it's not good enough
but there's no way I'm lovin you better
'cause girl you deserve things to be true
and I know you want a man who's committed to
I'm sorry, I know it's not good enough
but there's no way of living you better

Chorus:

I said goes by, my heart race,
I'm burning trying to find the way to set you free
and my.. keep felling me
keep trying catch up, get out of my mind
fill out the place
'cause there's a part of me that doesn't wanna let you
leave
and I think he's best than we
we can't go on and livin this way

I'm sorry, I've tried it,
don't wanna hurt no more
the feelings ignited
there's no more room and store
I don't wanna be the man to have to break your heart
if I can catch you to see through which right in front of
you
then maybe you see what it is try to do
baby I think ti's best for us to be apart

[Chorus:]

I didn't mean to hurt you baby
didn't mean to cause you pain, no
I love her, I never meant to hurt her
I'm sorry it's over you deserve better
I love her, I'd never meant to hurt her
I'm sorry it's over you deserve better
