(Anders Bergström/Daniel Gibson)

Shoot it to me straight
Just hit me I can take it

Why won't you say it
Why is it so hard

Even if I cant make a change
I wish that I could help

I'm not gonna try
Even as your friend
No I wont, be there again
I don't mean to make you cry
But I can't deny

It would satisfy
To see if you could make it
How you will survive
And how you carry on

Even if I cant make a change
I wish that I could help

I'm not gonna try
Even as your friend
No I wont, be there again
I don't mean to make you cry
But I can't deny

When you lose I gain
When you're sick I'm sane
I just can't deny

Even as your friend
No I wont, not again

I'm not gonna try
Even as your friend
No I wont, be there again

I don't mean to make you cry
But I can't deny
